CONFIRMATION OF TELEPHONE ELECTION

Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

A telephone requirement for restriction was made in connection with the  
above-identified patent application on May 30, 2001.

The undersigned confirms that in response to that telephone requirement, a  
provisional election was made to prosecute Group I, claims 1-9 and 13-15, and Species B  
directed to layers used to form tread.

Applicants submit that at least claims 1-6, 8 and 13-15 read on the elected  
species.

The provisional election was specifically made with traverse because no basis  
therefor has been set forth in the written record.

Respectfully submitted,

*James A. Oliff*
